Jeff,

Thank you for speaking with us on May 21st. We are encouraged to hear that BDH agreed to use the funds in the trust set up under the 1994 Administrative Order on Consent to plug injection wells. Following is a summary of next steps and attached are the deliverables promised on our end.

Our next call is on June 18th at 2:00 pm. Please use the following:

Call-in number: (866) 299-3188
Conference code: 212-637-3238#

Items for EPA:

1. Send a copy of 1994 Administrative Order on Consent to Jeff Reisner (Attachment 1)
2. Send a copy of Final May 2014 Inspection Report to Jeff Reisner (Attachment 2)
3. Although not specifically discussed and to the extent you do not have a copy, we are sending you select pages of the 1993 Asset Purchase Agreement between Belden & Blake and BDH (Attachment 3)

Items for BDH:

1. Send a copy of the mineral rights lease between the mineral rights owner at the time and BDH (granting BDH the right to drill) to EPA
2. Identify the date BDH ceased injecting the wells
3. Renew discussions with Nichols Run Minerals regarding access to the property to plug injection wells
4. Identify contractors to plug wells

We look forward to receiving the above and to speaking with you on June 18th.
